

An absolutely
captivating
listening
experience.

The HERITAGE XLS 7 is the little sister and the latest addition to our Heritage XLS range.

It stands out from the rest of the loudspeakers in the collection with its smaller size, but don't be fooled, this loudspeaker has a strong character and is capable of delivering remarkable acoustic performances for a total immersion in music.

Impregnated with a vintage style, this speaker features a 6,5" cellulose pulp mid-bass driver and a 0,87" silk dome tweeter, offering superior sound reproduction for an absolutely captivating listening experience.

TECHNICAL

Type

Bookshelf loudspeaker - 2 way - Bass - reflex

Event

Flared - Front ported - Tuned Freq. : 52 Hz

Power

90 W RMS

Drive units
